Key duties and responsibilities are:

- Product flow, inspection, grading and quality of produce, ensuring defects are dressed out and customer specifications are met.
- Ensure any defects and poor quality is reported to the Line Supervisor.
- Ensure packing, labelling and stacking is carried out in accordance with customer specifications.
- Learn the operation of all equipment associated with the line.
- Understand and adhere to customer specifications, at all times.
- Maintain the hygiene of your work area, operating a clean as you go policy.
- Identify areas for reducing waste, i.e.; product, time, etc.
- Attend training courses and pass on information to others.
- Adhere to company food hygiene standards, at all times.
- Implement and maintain company health & safety procedures and policies.
- Promote good working relationships as an integral part of the team and carry out any additional tasks as required.

If you feel you have the skills for this role, please send your completed application form to tanja.perminova@poskittcarrots.co.uk

Required Experience:

Working in a fast moving environment
The ability to work quickly and methodically
Good team working and practical skills
The ability to concentrate while doing repetitive tasks and follow instruction
A willingness to work flexibly
'Can do' attitude and proactive approach
Awareness of the allergen environment
Understanding of health and safety policies in the work place
Willing to take any training required for this role

Whilst a good level of speaking and understanding English is not required, and support is given, it does help with the overall running of the business.
